\* One compensation assessment for absentees in the assessments (other than the final assessment) will be conducted for 25 marks comprising the syllabus of both Assessment-1 and Assessment-2. Only genuine cases of absence shall be considered.

# **Minimum 30% must be secured in the Final Assessment for passing the course.**

**COURSE EXIT SURVEY (mention the ways in which the feedback about the course shall be assessed)**

1. Students can meet the faculty (with prior appointment) at any stage in the course duration in case he/she finds difficulty in understanding the topic.
2. Feedback form issued to students to express their comments about the course before Assessment -1, and after completing the syllabus. Students are requested to give genuine feedback about the course.
3. Student knowledge about the topic covered in this course will be judged through marks obtained in examination.

**COURSE POLICY (preferred mode of correspondence with students, compensation assessment policy to be specified)**

The institute follows relative grading with flexibility given to teachers to decide the marks range for grades. All assessments of a course will be done on the basis of marks.

**MODE OF CORRESPONDENCE (email / phone etc)**

Students can meet the course faculty by fixing appointment through E-mail or phone call between 9:30 am to 5:30 pm in the working days.

**COMPENSATION ASSESSMENT POLICY**

Only the students who are absent in any of the Assessment Tests (or both) **with genuine reasons (medical emergencies /On Duty)** will be allowed to write the compensation test. Students are strictly not allowed to enroll for compensation assessment to improve their marks.

**ATTENDANCE POLICY** (A uniform attendance policy as specified below shall be followed)

- **At least 75% attendance in each course is mandatory.**
- **A maximum of 10% shall be allowed under On Duty (OD) category.**
- Students with **less than 65% of attendance** shall be prevented from writing the final assessment and **shall be awarded 'V' grade.**

**ACADEMIC DISHONESTY & PLAGIARISM**

- Possessing a mobile phone, carrying bits of paper, talking to other students, copying from others during an assessment will be treated as punishable dishonesty.
  - Zero mark to be awarded for the offenders. For copying from another student, both students get the same penalty of zero mark.
  - The departmental disciplinary committee including the course faculty member, PAC chairperson and the HOD, as members shall verify the facts of the malpractice and award the punishment if the student is found guilty. The report shall be submitted to the Academic office
- The above policy against academic dishonesty shall be applicable for all the programmes.
