COURSE EXIT SURVEY

(mention the ways in which the feedback about the course shall be assessed)

- Conduct the viva-voce and lab record correction for every experiment at the end of each practical class.
- Performance in the assessment methods.
- Questionnaire about the effectiveness of the experience, experiments, and the knowledge gained.
- Final assessment could be an experiment followed viva-voce on the theory and practice of the given experiment.

COURSE POLICY (including compensation assessment to be specified)
