

Pattern Recognition and Computational Intelligence Laboratory
Department of Electronics and Communication Engineering
National Institute of Technology, Tiruchirappalli

CORDIALLY INVITES YOU

for the

Guest Lecture

on

**AI, Machine Learning and
Deep Learning**

by

Prof. Dr. K. K. Biswas

Professor (Retd.), Department of CSE

IIT Delhi

(Currently with Bennett University)

Venue: LH9, Lecture Hall Complex

Date: 15th September 2018

Time: 5:00 PM to 6:00 PM

Prof. Biswas completed his B-Tech from IIT-Madras, and his M-Tech and PhD from IIT-Delhi. He has been a Professor of Computer Science Department, IIT Delhi from 1985 to 2004. He has also been a visiting faculty at University of Auckland, New Zealand and University of Central Florida, USA. He is currently a Professor at Bennett University, Greater Noida, India.

His areas of research interests include Image and Video Processing, Machine Learning and Fuzzy Modelling. He has over 90 publications to his name till date. He also has done numerous projects in collaboration with various companies like Lockheed Martin. He is on the editorial board of Journal of Networks Computer Applications (Academic Press) and Pattern Analysis Applications (Springer - Verlag). He has also done collaborated projects with University of Oxford, UK and University of Texas, Austin, USA.
